SET-UP SUPPORT

We are here to assist in any way we can. No matter if you prefer to have your questions answered via Email or by a call over the phone.

EASE OF USE

Click the ICON on the desktop, enter your guardian logon and you're ready to go. Point and Click your way around the entire DSM/TC landscape.

The Tape Drive Status window allows the user to monitor the device usage in real time. It also shows the number of minutes a MOUNT request has been waiting to be fulfilled.
